# FIZA AROOJ

*Computer Science Undergraduate*

Islamabad, Pakistan | +92 329 8690846 | fizaarooj0403@gmail.com | LinkedIn Profile

## PROFILE

Computer Science undergraduate (4th semester) with hands-on front-end and full-stack development internship experience and a strong foundation in programming, web technologies, and problem-solving. Effective communicator with proven project-coordination and teamwork experience. Seeking IT / Software Development opportunities to apply and grow technical skills in a real-world, fast-paced environment.

## EDUCATION

**Bachelor of Science in Computer Science** **2024 – Present**

*Capital University of Science and Technology (CUST), Islamabad*

- CGPA: 3.21 — 4 semesters completed

## TECHNICAL SKILLS

**Programming Languages:** C++, Python, JavaScript

**Web Development:** HTML & CSS, Next.js, React, Node.js, Express

**Databases:** SQL Server

**Other:** Python Automation, Analytical Reasoning, Debugging & Clean Code Practices

## PROFESSIONAL EXPERIENCE

**Software Development Intern — MIS Department** **Jul 14, 2026 – Present (6-week internship)**

*Airblue | Islamabad*

- Developed and enhanced a KPI Management System using React (Vite) on the front end and ASP.NET Core, Entity Framework Core, and SQL Server with JWT authentication on the back end.
- Built and redesigned key modules — Employee, Team Assessment, KPI Setup, and Reviewer (Aero Bridge Usage Performa) — aligning the UI with Airblue's design system.
- Implemented API integrations, database seeding, and full CRUD operations, verifying endpoints through Swagger.

**Front-End Development Intern** **Jul 2025 – Aug 2025**

*USA-based Insurance Company | Remote*

- Built responsive web interfaces for desktop and mobile using modern front-end tools.
- Collaborated with developers and designers to translate mockups into production-ready pages.
- Developed reusable front-end components and helped optimize overall website performance.
- Debugged front-end issues and applied clean-code standards to improve usability.

**Project Manager** **Sep 2024 – Jun 2025**

*Devsio Services*

- Coordinated cross-functional projects end-to-end, tracking timelines and quality of delivery.
- Led a collaborative, results-driven team and maintained consistent messaging across channels.

## CERTIFICATIONS

- Python Programmer Analyst Specialization — Python Automation
- Certificate of Participation — Al-Funoon Gala 2026, Analytical Reasoning (IEEE)
- Student Appreciation Certificate — Societies/Clubs Membership, Spring 2026 (CUST)

## LEADERSHIP & ACTIVITIES

- Event In-Charge, Youth Insight Society — led event planning and on-ground execution.
